

AVMA Connections: An Introduction to your Governance Communications System

What is AVMA Connections?

This is a service created for AVMA and SAVMA council and committee members and other volunteers to allow them to share information online.

AVMA Connections replaces the previously used AVMA Governance Portal and is a website that provides central storage and collaboration space for documents, information, and ideas. AVMA Connections helps groups of people share information and work together. For example, AVMA Connections can:

- Coordinate projects, calendars, and schedules
- Provide a forum to discuss ideas and review documents
- Share information

-
1. **To log in:** SAVMA members use their existing SAVMA login from the main AVMA website, <https://www.avma.org>. The primary email associated with your SAVMA ID is the email linked to AVMA Connections, where the reset information will be sent. If you have questions regarding the email address linked to your AVMA Connections account, please contact Jackie Ross at jross@avma.org.
