

Curbside service

RULES OF THE ROAD

Call us to schedule your appointment

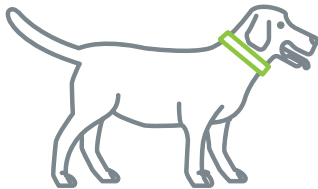

On the day of your appointment, call us upon arrival.

Make sure your pet is secured on a leash or in a carrier.

Stay in your vehicle. A team member will come out to get your pet.

We'll bring your pet back to your vehicle along with a receipt and any medications or other supplies your pet needs.

While the doctor is finishing up with your pet, a team member will contact you to review your invoice and handle payment.

Keep your phone on. We'll call you to discuss your pet's health and next steps.

Have a safe trip back home!
