

Notice of accreditation actions by the AVMA Council on Education Spring 2022

The AVMA Council on Education (AVMA COE®) is recognized by the United State Department of Education as the accrediting agency for colleges and schools of veterinary medicine in the US. In keeping with the regulations of the United States Department of Education, the following are the accreditation actions taken by the AVMA COE®.

The Council took the following actions during its March 26-29, 2022, meeting.

Accredited is a classification granted to a college that has no deficiencies in any of the Standards and is granted for a period of up to seven years. A college with one or more minor deficiencies that have minimal or no effect on student learning or safety, that can be reasonably be addressed in one year, are Accredited with minor deficiencies. Colleges with a status of Accredited submit annual interim reports to monitor continued compliance with the Standards of Accreditation. Colleges with a status of Accredited with minor deficiencies submit reports twice a year.

Based on evaluation of a comprehensive site visit that took place in Fall 2021:

- **Virginia-Maryland College of Veterinary Medicine** – Accredited
- **Mississippi State University College of Veterinary Medicine** - Accredited
- **The Ohio State University College of Veterinary Medicine** – [Accredited](#) with minor deficiency (Standard 3 – Physical Facilities & Equipment)

Additionally, annual interim reports were reviewed by the AVMA COE® and granted an accreditation status as follows:

- **Auburn University College of Veterinary Medicine** – Accredited
- **Cornell University College of Veterinary Medicine** – Accredited
- **Iowa State University College of Veterinary Medicine** - Accredited
- **Kansas State University College of Veterinary Medicine** – Accredited
- **Lincoln Memorial University College of Veterinary Medicine** – Accredited
- **Louisiana State University School of Veterinary Medicine** – Accredited
- **Massey University School of Veterinary Science** - Accredited
- **Michigan State University College of Veterinary Medicine** – Accredited
- **Midwestern University College of Veterinary Medicine** – Accredited
- **North Carolina State University College of Veterinary Medicine** - Accredited
- **Oklahoma State University College Veterinary Health Sciences** – Accredited
- **Oregon State University Carlson College of Veterinary Medicine** - Accredited
- **Ross University School of Veterinary Medicine** – Accredited
- **Royal Veterinary College, University of London** – Accredited
- **St. George’s University School of Veterinary Medicine** – Accredited
- **Purdue University College of Veterinary Medicine** - Accredited
- **Texas A&M University College of Veterinary Medicine and Biomedical Sciences** – Accredited
- **Tufts University Cummings School of Veterinary Medicine** – Accredited
- **University of California-Davis School of Veterinary Medicine** – Accredited

- **University of Calgary Faculty of Veterinary Medicine** - Accredited
- **University College Dublin School of Veterinary Medicine** - Accredited
- **University of Edinburgh Royal (Dick) School of Veterinary Studies** – Accredited
- **University of Florida College of Veterinary Medicine** - Accredited
- **University of Georgia College of Veterinary Medicine** – Accredited
- **University of Glasgow School of Veterinary Medicine** – [Accredited](#) with minor deficiency (Standard 11, Outcomes Assessment)
- **University of Guelph Ontario Veterinary College** – Accredited
- **University of Illinois College of Veterinary Medicine** - Accredited
- **University of Minnesota College of Veterinary Medicine** – Accredited
- **University of Missouri-Columbia College of Veterinary Medicine** – [Accredited](#) with minor deficiencies (Standard 3, Physical Facilities and Equipment; Standard 7, Admission)
- **Universite de Montreal College of Veterinary Medicine** – Accredited
- **University of Pennsylvania School of Veterinary Medicine** – Accredited
- **University of Prince Edward Island Atlantic Veterinary College** – Accredited
- **University of Queensland School of Veterinary Science** – Accredited
- **University of Saskatchewan College of Veterinary Science** -Accredited
- **University of Sydney School of Veterinary Science** – Accredited
- **University of Utrecht School of Veterinary Medicine** – Accredited
- **Universidad Nacional Autonoma de Mexico Facultad de Medicina Veterinaria y Zootecnia** – Accredited
- **VetAgro Sup Campus Veterinaire de Lyon** - Accredited
- **Washington State University College of Veterinary Medicine** – Accredited
- **Western University of Health Sciences College of Veterinary Medicine** – Accredited

***Probationary Accreditation** is granted to a college that has one or more major deficiencies that have more than minimal impact on student learning or safety. These deficiencies must be corrected in two years. College must submit reports to the Council every six months. If minor deficiencies are not corrected within one year, a college will be placed on Probationary Accreditation for one additional year. College must submit reports to the Council every six months.*

Based on evaluation of a comprehensive site visit that took place in Fall 2021

- **Tuskegee University College of Veterinary Medicine** - [Probationary Accreditation](#) with major deficiencies (Standard 2, Finances; Standard 4, Clinical Resources; Standard 11, Outcomes Assessment) and minor deficiencies in (Standard 3, Physical Facilities and Equipment; Standard 6, Students; Standard 9, Curriculum)

Based on annual interim report reviewed by the AVMA COE®:

- **Seoul National University College of Veterinary Medicine** – [Probationary accreditation](#) with major deficiency (Standard 11, Outcomes Assessment)

Based on progress report reviewed by the AVMA COE®:

- **University of Melbourne, Melbourne Veterinary School** be continued on [Probationary accreditation](#) with a major deficiency (Standard 9, Curriculum) and minor deficiencies (Standard 2, Finances; Standard 3, Physical Facilities and Equipment; Standard 4, Clinical Resources; Standard 8, Faculty).

*If a college granted Reasonable Assurance is making adequate progress in complying with the Standards, **Provisional Accreditation** may be granted to that college on the date that letters of acceptance (admission) are mailed to members of the initial class. When Provisional Accreditation is granted, interim reports are required at six-month intervals to monitor the program's progress in complying with the Standards. In particular, changes in business or educational plans must be addressed in detail. Provisional Accreditation status may remain in effect no more than five years if the program complies with the necessary requirements. A program with Provisional Accreditation for five years or that does not provide continuing evidence that its program will comply with the Standards and its plan may be placed on Terminal Accreditation.*

Based on evaluation of a comprehensive site visit that took place in Fall 2021 the Council continued on Provisional Accreditation:

- **Long Island University College of Veterinary Medicine**, Brookville, New York

Based on continued compliance with their plan following a review of the biannual report the Council continued on Provisional Accreditation:

- **Texas Tech University School of Veterinary Medicine**, Amarillo, Texas
